

Life Program Report - KofC Council 13181 - Business Mtg. Mon Dec. 5, 2022

- The 2023 March for Life and Rally will be held on Friday, January 20th. This will be the first March since the Supreme Court overturned the 1973 Roe v. Wade decision making abortion legal in all 50 states. The marches will continue because, since the legality of abortion is now decided at the state level, "the goal of the National March for Life is... to change the culture to ultimately make abortion unthinkable."
- The 2023 Hands Around the Capitol Rally and March in Augusta; date is still pending.
