

Life Program Report K of C Council <sup>13181</sup> Business Meeting Tuesday, Oct. 8, 2024

- The 40 Days for Life 2024 Fall Campaign began on Wednesday, September 25<sup>th</sup> (today is day 14<sup>th</sup>). There are 3 locations in our state: Portland, Bangor and Houlton. 162 lives have been saved (those known) in the past month, with immeasurable others prayed for peacefully. Knowing that the scheduled hours and locations for praying do not always work well for everyone, people are encouraged to donate at [40daysforlife.com](http://40daysforlife.com) or at their local pregnancy resource centers.
